RE: Docket #2015-004; Cause No. 132-02

To Whom It May Concern,

Robert L. Bayless, Producer LLC is writing this letter to offer full support for our operating partner, Axia Energy, LLC, in their efforts to seek approval of down spacing our joint areas of interest in Uintah County, Utah from 160 acres to 20 acres (132-1 Order). The areas of interest consist of Section 32 of Township 5 South, Range 20 East (ML-52469-OBA); Section 2, Township 6, Range 20 East (ML-52470-OBA); and Section 16, Township 6 South, Range 20 East (ML-49316), each in its entirety.

Robert L. Bayless, Producer LLC feels the data and reasoning provided by Axia is an accurate representation for current and future development of this area to increase the ultimate recovery of these resources. Bayless hopes this letter showing our support for Axia aids the decision process in a positive manner by showing full agreement between 100% working interest owners. If any further questions or concerns should arise, please contact me in our Farmington, NM office.

Best regards,

Kevin McCord

Operations Manager
